Alumni Notes

MARY L. CHURCH, EDITOR

The officers of the Third Battalion, Chemical Warfare Service, Edgewood Arsenal, held their first reunion Saturday, April 18, at the new Southern Hotel. A number of Ohio State Engineers, particularly Chemical Engineers, were officers in this Battalion of which Major Demorest was commanding officer. Lt. Col. McPherson was a guest of the battalion as were also six officers from the present commissioned personnel at Edgewood. Plans for future meetings and organization were formulated.

Albert V. Bleininger, B. Sc., '01, Ceramic Chemist for U. S. Bureau of Standards is being transferred from Pittsburgh to the new Bureau laboratories at Washington.

Paul G. Larkin, B. Cr. E., '15, has moved from Denver Col., to Lincoln, Cal., where he is associated with the Gladding McBeau Terra Cotta Co.

G. W. Johnson, C. E., '92, is Asst. to vice-president of the Westinghouse Electric and Mfg. Co., East Pittsburgh, Pa.

M. R. Armstrong, M. E. in E. E., '11, is Commercial Engineer in the Industrial Heating Section, Westinghouse Electric and Mfg. Co., Mansfield, Ohio.

The Electric World has printed an article "Protect Workmen by Inclosing Switches," by W. A. Waldschmidt, E. E., '16, Asst. Physicist, Bureau of Standards.

Wirt Stanley Scott, E. E. in M. E., '11, is manager of the Industrial Heating Section, Westinghouse Electric and Mfg. Co., Mansfield, Ohio.

C. P. Cooper, E. E., '07, was made General Manager, Cleveland Telephone Co, April 1st. He was formerly with the Chesapeake and Ohio Telephone Co., at Baltimore.

John W. Bulger, C. E., located with the C. E. Section of the Engineering Society of Akron, is at present making a study of flood possibilities in the Little Cuyahoga River Valley.

Ralph G. Lockett, E. E., '16, Engineering Dept., is with the Cutler-Hammer Mfg. Co., 12th and St. Paul, Milwaukee.

Edward A. Kemmler, C. E., '88, has been from 1918 to date, Engineer of Highways, Akron, also acting secretary of City Planning Commission.

Vernon Royce Covell, C. E., '95, is deputy county engineer, Allegheny Co., Pa.

L. W. Chubb, E. E., '05, is in Belgium, where he is serving as one of five American Engineers at an international conference which is re-defining units of electrical measurement.

C. H. Teegarden, E. E., '10, is maintenance engineer of National Aniline and Chemical Co., Inc.

Pliny P. Pipes, E. E., '19, is with the Lincoln Electric Co., at 3215 Singer Bldg., New York.

B. G. Lamme, E. E., '88, chief engineer, Westinghouse Electric and Mfg. Co., has an article in the Journal of the American Institute of Electrical Engineers, "The Technical Story of the Synchronous Converter."

R. M. Critchfield, E. E., '16, is with the Dyneto Electric Corporation, Syracuse, N. Y., as assistant chief engineer.

F M. Craft, '05, has recently been made equipment engineer with the Chesapeake and Ohio Telephone Co., at Baltimore.

Roy V. Meyers, C. E., '93, released from army service, has his office at 6 Briscoe Bldg., Knoxville, Tenn., in the capacity of civil and mining engineer.

George W. Perks, ex. '99, formerly with the American Seeding Machine Co., of Springfield, O., now is director of engineering with the B. F. Goodrich Rubber Co., Akron.

Cyrus A. Melick, C. E., in addition to holding the position of Professor of Civil Engineering at Michigan Agricultural College, is engineer of bridge design, Bridge department, Michigan State Highway Commission. Address, Michigan Agricultural College, Lansing, Mich.

C. S. Burrell, C. E., '04, commander in U. S. Navy, has been transferred from submarine base in New London, Conn., to the Charleston Navy Yard, S. C.

Herbert S. King, C. E., '01, is located at Houston, Texas. His address is 804 Union Nat'l Bank Bldg., care Gurley and Gurley, Engrs.

H. D. Row, C. E., ex. '11, has been made division engineer, Cincinnati division, Erie R. R., with headquarters at Marion.

Frank Hartford, B. Cr. E., ex. '20, is now with the Abingdon Sanitary Mfg. Co., Abingdon, Ill.

William H. Bennett, M. E., '08, was a visitor at the University on April 19. He has a few weeks vacation from his work as mining engineer for the International Harvester Co., Kentucky. Mr. Bennett was in South America for 8 or 10 years.

J. M. Strait, M. E. in E. E., '14, is commercial engineer, Industrial Heating Section, Westinghouse Electric Mfg Co., Mansfield, O.

S. B. Shepard, C. E., '13, is construction engineer in charge of a 7,500,000 road building project in St. Louis Co., Minn. Address 212 Court-house, Duluth, Minn.

F. A. Hills, E. E., '07, is Supt. of the Chickazof Mining Co., at Chickazof, Alaska.

F. R. Garber, E. E., '10, has resigned from the Virginia Inspection Bureau to take charge of Improved Risk Dept., Ohio Inspection Bureau, Cincinnati office, address 1403 First Nat'l Bank Bldg.

Bronson R. Magee, B. Arch., '13, formerly with the Austin Co., in Cleveland, has resigned to become engineer in charge of building construction for the National Carbon Co., Cleveland.

T. C. Snow, C. E., '06, has been appointed Professor of Highway Engineering at Georgia Tech., going there from Montana State College, Bozeman, Mont.

Samuel C. Berman, B. Arch., '07, visited the Department in April for the first time in 13 years. He is now practicing architecture in Cleveland.

Roy E. Miller, C. E., '08, is county surveyor and county highway superintendent at Lebanon, Warren county, O.

H. A. McAllister, M. E., '09, has removed from Rossmore to accept a position with the Logan Mining Co., Logan, West Virginia.

Wesley B. Pritz, B. Sc. Chem. Eng., '09, has been appointed local manager of the East St. Louis plant of the National Carbon Co., East St. Louis, Mo.

Howard "Cap" Levering, M. E., '10, has been reappointed county engineer, Wayne county, West Va.

James Crew Wonders, C. E., ex. '85, from 1908 to 1911 State Highway Commissioner of Ohio, has been Dist. Engr. of 5th District, U. S. Office of Public Roads, Omaha, Neb., since 1916.

John Milton Heffelfinger, C. E., '15, is now Chief Designing Engineer, Div. of Sewage Disposal, Dept. of Public Works, Cleveland, O.

David T. Laylin, M. E., '05, formerly electrical engineer with the Standard Parts Co., in Cleveland, has resigned to become sales manager for the Bagnall Electric Co., manufacturers of electrical machinery and accessories in Cleveland.

Charles S. Stevenson, C. E., '13, is with the Pulaski Iron Co., of Eckman, W. Va., but is expected to locate soon in Portsmouth, O., to engage in general engineering practice.

Ralph A. Metzger, E. E., '14, has moved from Cincinnati to the Chicago office of Norton, Bird and Whitman. Address 111 West Monroe St.

Herbert S. Baer, C. E., '14, is a Civil Engineer in the Navy, stationed now in the Samoan Islands, address Putuila, Samoan Islands, care Postmaster, San Francisco, Cal.

Fred Gilchrist, E. E., '17, and Mrs. Gilchrist (Ruth Ryerson, ex. '19) are living at 222 Eleventh St., Milwaukee, Wis., where Mr. Gilchrist is connected with the Cutler-Hammer Electrical Co.

L. J. Frosted, Chem. Eng., '18, formerly with the Standard Chemical Co., at Cannonsburg, Pa., is now attached to the Pittsburg Experiment Station of the U. S. Bureau of Mines.

B. J. Schwendt, E. E., '07, may be addressed at 345 Adams Ave., Columbus, Ohio. with E. W. Harris.

Thomas E. Brand, B. Arch., '18, was married to Magdoline Bainter on March 9, 1920.

John D. East, B. Arch., '18, is with Waren and Whitmore, Architects, New York City.

Col. W. M. Chubb, C. E., '07, has resigned from the Engineering Corps of the Army and is now with the Winchester Arms Co. at New Haven, Conn.

Professors William McPherson, William L. Evans and Edward Mack attended the meeting of the American Chemical Society at St. Louis, week of April 12. The Ohio State University graduates at the meeting entertained with a luncheon. About 30 alumni were in attendance, among them: Rudolph Hirsch, '01, Kansas City; Dr. E. J. Witzemann, '12, Chicago; Winfred Coover, '03, Ames, Ia.; Jacob Meckstroth, '12, of St. Louis; Wilbur Dubois, '02, Milwaukee; Homer Adkins, '18, of Madison; and Robert Sosman, '03, of Washington.

The Department of Journalism has received an inquiry from a technical engineering magazine for an engineering student who wishes to enter this line of work. Any one interested can see Prof. Myers about it.
